One Call Starts It All

- Start the process with a single call placed to:

Texas Power or
Tristar Compression

- Producer has equipment, service, billing & contracting options!

Connecting The Dots

- Texas Power is a TX option only for now
Co-ops/Municipal Assets
- Lead Time Considerations- Mean Real \$\$
Infrastructure is location/TDSP dependent
Inventory “Lite”
Urbanized Production Increases Urgency & Maybe Lead time
- Economic Recovery & Improving NatGas Prices
renew calls for fees/levies/penalties

New Concept?

- Yes

Truly “Green” product for a Texas REP
Compression Company with Electric Service

- No

Risk Mitigation

Cost control

Convenience

Maximizing Commodity Avail for Sale

Bundled Services & “One stop shopping”
